Register Damstra SoloWatch

Introduction

Registration of the SoloWatch requires both your Wearable and Mobile devices.

Ensure that the Solo app has been downloaded to your Mobile according to the instructions for your device and that you are logged in.

Note: Information on how to do this can be found in the support portal.

Register Damstra SoloWatch

Power On

Take your DamstraSolo Watch and if you haven't already done so power it on.

To do this **press** and **hold** the 'black button' toward the top right of the watch for 5sec's

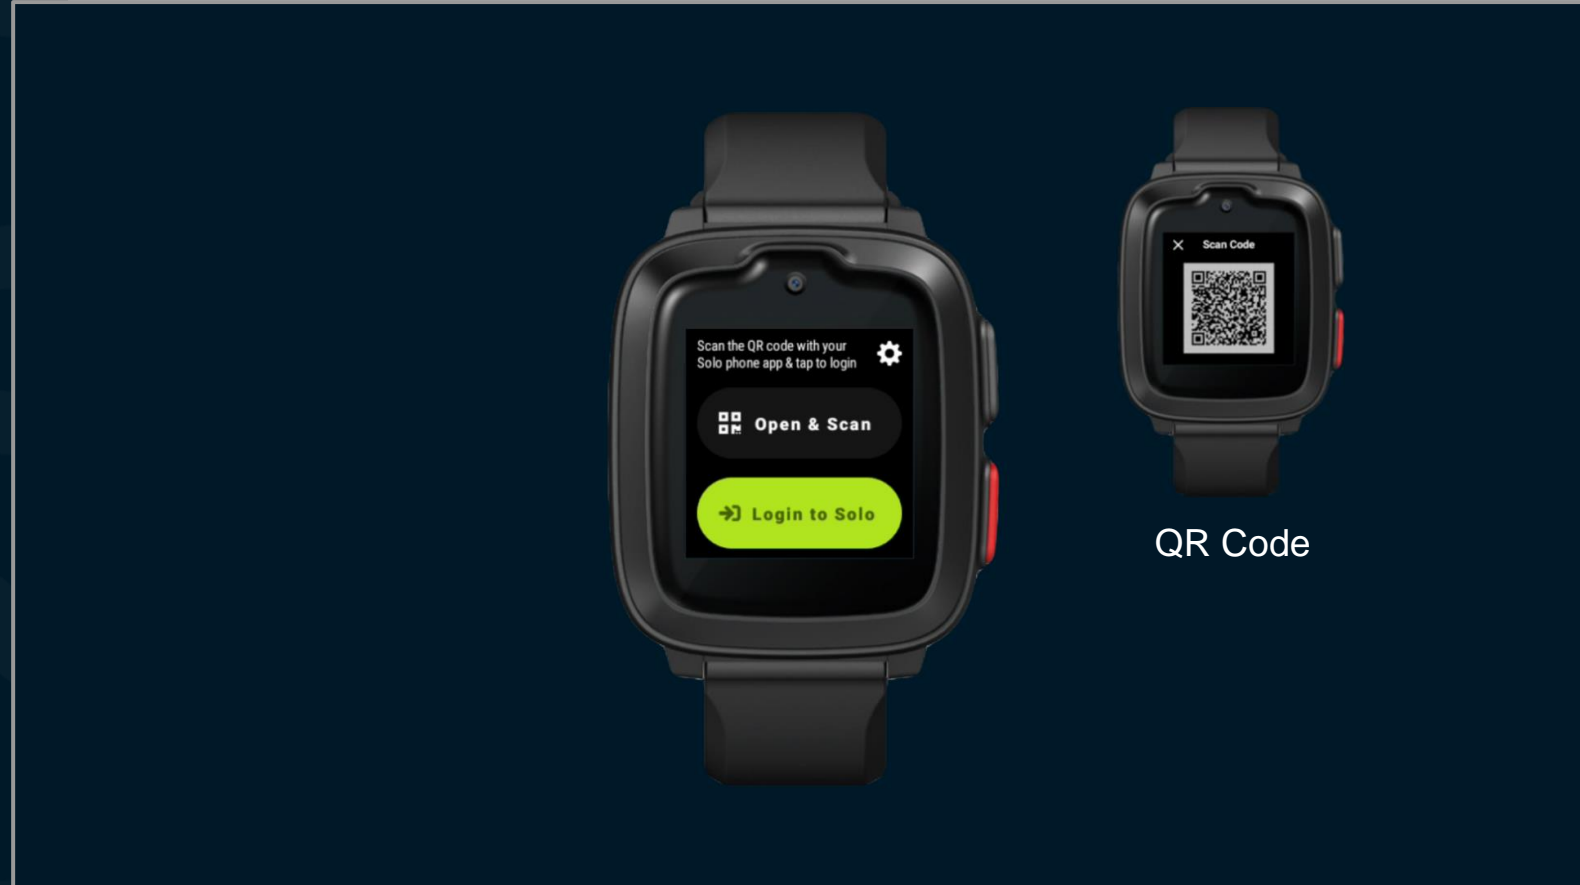

Register Damstra SoloWatch

Open & Scan

Once powered on you will see the login screen.

Tap the 'Open & Scan' button.

A unique 'QR Code' specific to your instance of Solo will display.

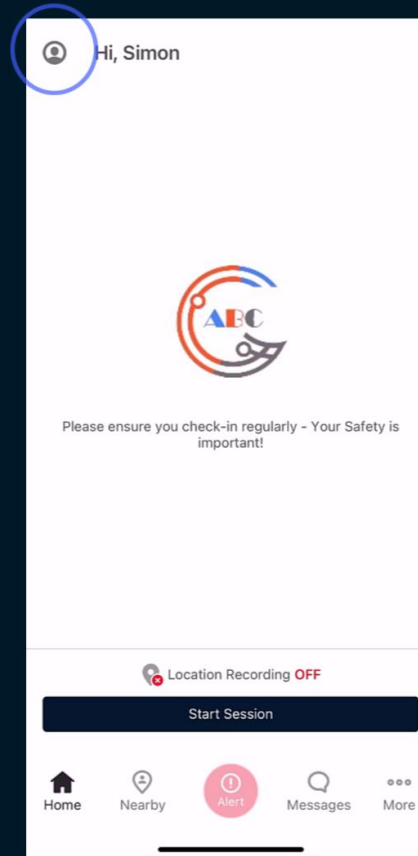

Register Damstra SoloWatch Solo Mobile

Next Take your Mobile device and **locate** the 'Solo app' and **tap** to open.

The Solo Mobile app landing page will display.

From here **tap** the 'Profile Icon' towards the top of the screen.

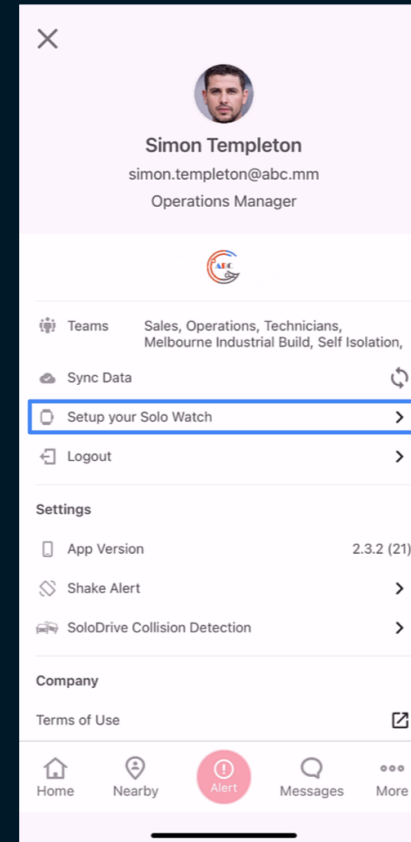

Register Damstra SoloWatch

Solo Mobile cont.

Then **select** 'Setup your Solo watch'

This will open the Solo Mobile App 'QR code scanner' ready for use.

Register Damstra SoloWatch

Scan QR Code

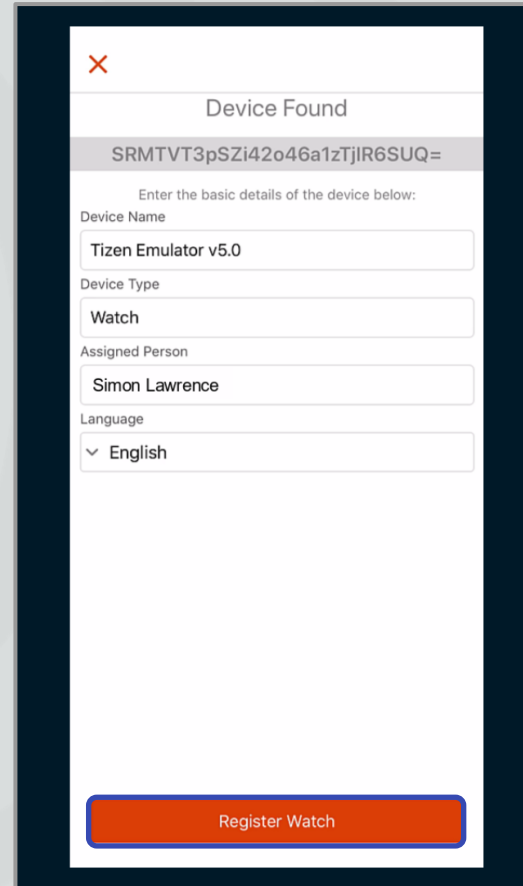

Use the QR Code Scanner to **scan** the 'QR code' displaying on your Watch.

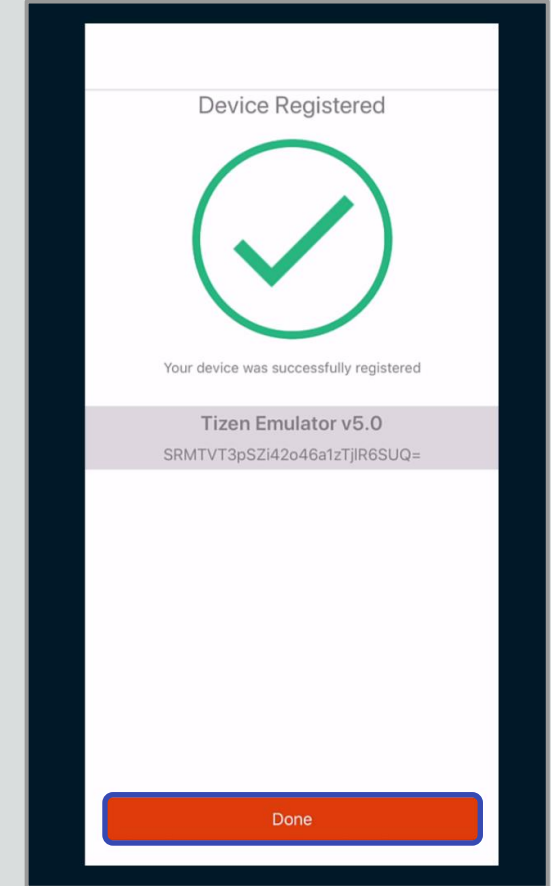

Register Damstra SoloWatch

Register Watch

Once scanned, **tap** 'Register Watch' and then **tap** 'Done'.

The screenshot shows a mobile application interface for registering a device. At the top, there is a red 'X' icon and the title 'Device Found'. Below the title, a grey bar displays the device ID: 'SRMTVT3pSZi42o46a1zTjIR6SUQ='. Underneath, the text 'Enter the basic details of the device below:' is followed by four input fields: 'Device Name' (containing 'Tizen Emulator v5.0'), 'Device Type' (containing 'Watch'), 'Assigned Person' (containing 'Simon Lawrence'), and 'Language' (containing 'English' with a dropdown arrow). At the bottom, there is a prominent orange button labeled 'Register Watch'.

The screenshot shows the confirmation screen after successful registration. At the top, the title is 'Device Registered'. Below the title is a large green checkmark inside a circle. Underneath, the text reads 'Your device was successfully registered'. A grey bar displays the device ID: 'Tizen Emulator v5.0' and 'SRMTVT3pSZi42o46a1zTjIR6SUQ='. At the bottom, there is a prominent orange button labeled 'Done'.

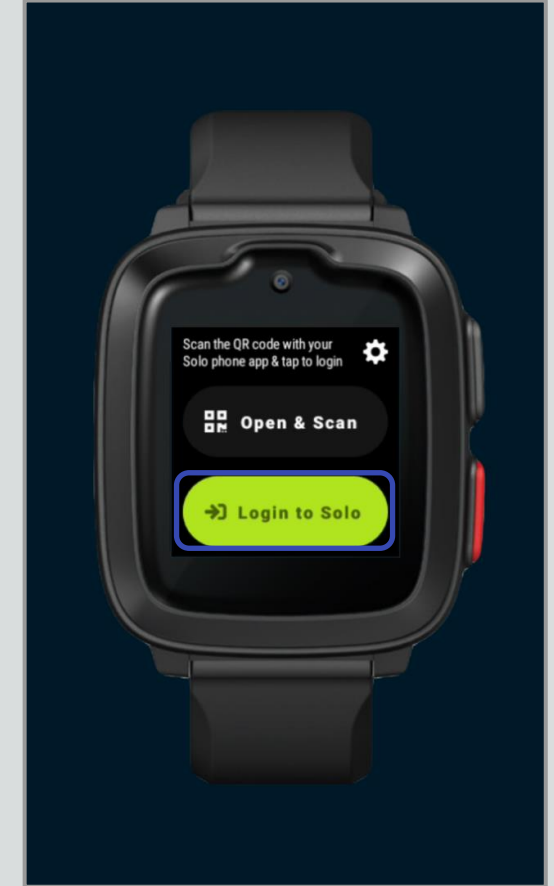

Register Damstra SoloWatch

Login to Solo

Finally, return to your Damstra SoloWatch.

Tap the 'X' to close the QR code.

And then **tap** the 'Login to Solo' Button

Register Damstra SoloWatch

Login to Solo cont.

The App will login and will be ready for use.
